IMPORTANT - PLEASE TAKE NOTE

You will probably be aware that Welsh Government announced on the 16th of December that the whole of Wales will be facing the strictest Covid restrictions from the 28th of December.

As we print and post these catalogues, we still await confirmation that we can continue with all breeding sales following the procedures that have been put in place since the spring.

We sincerely hope that we can conduct the sale on site in Dolgellau on the 5th of January.

We are requesting that all vendors prepare and send us photos and videos of their entries by the 31st of December. The photos and videos will be used to promote your entries through our website and facebook and youtube pages.

Please send your photos and videos to **Sarah@farmersmarts.co.uk** or via Whattsapp to Sarah on **07506 083590**. Please reference the photo and video with the lot number.

If there will be any enforced change to the arrangements, we will be discussing with the Welsh Black Cattle Society before announcing any changes.

(a) All cows and heifers which are stated in the catalogue as having been served, or inseminated, not less than twelve weeks before the date of the Sale, or stated as having been running with a bull between dates (the latter of which is not less than twelve weeks before the date of the Sale) will be guaranteed to be in-calf to the service date, the date of insemination, or between dates and to the bull stated in the catalogue, unless alteration is announced at the time of Sale. In the event of any breach of warranty the purchaser must notify the auctioneers in writing, within the time prescribed in the auctioneer's sale rules, which in the case of cows and heifers proving not to be in-calf is 43 days. All females served, inseminated, or running with the bull less than twelve (12) weeks from the date of Sale shall be described in the Catalogue as not being guaranteed in-calf.

FREEDOM FROM DISEASE

- 1) Vendors must declare their herd's risk level for Johne's disease.
- 2) Herds are classified for Johne's disease as:
 - Risk level 1 – Herds have had at least 3 clear annual herd tests.
 - Risk level 2 – Herds that have had one or two clear annual herd tests.
 - Risk level 3 – Herds that have had less than 3% reactors in their last herd test.
 - Risk level 4 – Herds that have had more than 3% reactors in their last herd test.
 - Risk level 5 – Herds that are either not testing for Johne's disease in an approved health scheme, or are not complying with the rules of such a scheme.
- 3) Members of a licensed cattle health scheme for Johne's disease are required to isolate and test animals purchased from herds at all risk levels other than risk level 1
- 4) A purchaser wishing to take advantage of section 22 of the Society's auction sale rules – purchaser's rights in relation to vendor's warranty for Johne's disease and BVD – should ensure that samples are taken from cattle either prior to leaving the sale ground or within one week of the sale provided they are kept in appropriate isolation during that time.

BULL FERTILITY TESTING

The fertility examination should ideally be done within one month of the sale. Purchasers should note that the veterinary certificate relates to the fertility of the bull on the day of examination. If the interval between the examination and the sale is longer than one month, then the possibility that something could have adversely affected the fertility since the day of the examination is increased.

The veterinary certificate should be made available for inspection at the sale and the purchaser should be supplied with a copy.

☀️ IMPORTANT – STRICT RULES TO NOW BE FOLLOWED ☀️
THESE RULES ARE IN PLACE TO SAFEGUARD STAFF & CUSTOMERS AND TO ENSURE
WE DO NOT HAVE TO RETURN TO A ‘DROP & GO POLICY’ WITH STOCK

We fully appreciate that all of us enjoy attending our sales throughout the year. 2020 has been a very challenging year with all the changes we've all had to make to keep everyone safe. These changes need to be extended into the New Year. For the Health and Safety of every person attending any mart, as a Vendor, Buyer or Staff member we have to implement changes from previous years.

Several months ago now, it became MANDATORY that face coverings must be worn in all indoor areas of a Livestock Market in Wales.

👉 **Vendors and potential buyers MUST register by calling Haulwen on 07712199542 or Bronwen on 01341 422334**

👉 ONLY REGISTERED BUYERS AND VENDORS AND STAFF ARE NOW TO ATTEND THE MART.

👉 2 PERSON PER BUSINESS THAT ARE **SELLING** CAN ATTEND THE SALE TO PREPARE AND TOW THE ANIMALS TO THE RING. **(WELSH BLACK OFFICIAL SALE ONLY)**

👉 REGISTERED BUYERS ONLY AROUND THE SALE RING WITH THEIR BUYER NUMBER IN HAND. Buyers numbers to be collected on site. Numbers will be limited.

👉 BUYERS - 2 PEOPLE FROM EACH BUSINESS CAN REGISTER TO SEE THE ANIMALS BEFORE THE SALE, BUT ONLY 1 OF THOSE CAN BE AT THE RINGSIDE DURING THE SALE.

👉 ONLY GENUINE INTENDING PURCHASERS TO ATTEND.

👉 NO SPECTATORS

☀️ PLEASE DO NOT ATTEND TO SEE HOW THE TRADE IS – PLEASE PHONE US OR FOLLOW OUR WEBSITE MARKET REPORTS FOR GUIDANCE THIS YEAR. ☀️

👉 If you are over 70 year old, please consider carefully if you personally must attend, especially if you find that maintaining 2m social distancing proves difficult at all times.

👉 Please register early as we may have to restrict numbers – we will operate our register on a first come first served basis and we now have to give priority to buyers and limit the number vendors on site.

AS PREVIOUSLY, ALL OTHER GUIDANCE STANDS WHICH INCLUDES:-

👉 2 meter social distancing rule MUST be adhered to at all times.

👉 Please regularly wash your hands and make use of the hand sanitisers.

👉 We recommend that if you have your own supply of face coverings that you now use these when attending the marts. **PLEASE NOTE: IT IS MANDATORY THAT FACE COVERINGS MUST BE WORN IN ALL INDOOR AREAS OF THE LIVESTOCK MARKET, AND ALL OUTDOORS ASWELL.**

👉 **DO NOT ATTEND if you have symptoms of Covid-19 or have been in contact with anyone displaying symptoms.**

👉 Everyone attending the marts must sign-in, this is required for the Track and Trace system.

👉 No under 16's will be allowed into the marts.

Thank you for your Co-operation. Please follow the guidelines, we don't want to be forced to operate the 'drop and go' policy again.
